

Beautiful Savior Lutheran Church

Evangelical Lutheran Church in America

God's work. Our hands.

Beautiful Savior's Council has set up a committee to identify the current needs of our building and determine what, if any, expansion could feasibly take place to broaden our ministries to better serve our Members, Neighbors and the Greater Vancouver Community.

The Building Committee is seeking your input specific to the current needs and the future vision of BSLC. We ask that you take a few minutes to thoughtfully answer the following questions and give your input on the future of our building and ministries.

The following have been determined to be immediate needs of our building:

- Replace roof
- Replace siding
- Replace HVAC
- Remove septic and put building on city sewer system
- Replace interior and exterior lighting

The following have been determined to be necessary to enhance the current ministries of BSLC.

- Larger/more rooms
- Remodeled Kitchen
- Expanded Narthex
- Larger more acoustically friendly Sanctuary
- Add Sacristy

Survey Questions

Do you think our building should be remodeled and/or expanded? *(Circle)*
Yes No

Would you like to see new ministries? Yes No

Would you like to see or be a part of the following?
Christian Nursery School Yes No
After school program Yes No

What expansion do you think is necessary?

Storage	Yes	No
Larger Sanctuary	Yes	No
Larger Narthex	Yes	No
